Mission and Witness Today

How can we as Orthodox Christians be more faithful and effective in mission and outreach? How do we witness the love and truth of the Gospel of Jesus Christ to the communities around our churches, to the public, and to the broader culture of North America?

Join us this October as we pursue answers to these questions. The first lecture will look to historical examples for inspiration, the second will provide practical advice from a mission parish, the third will treat the topic from a spiritual and theological view, and the final lecture will examine the way forward.

When: Tuesdays in October

Where: St. Tikhon's Seminary
175 St. Tikhons Rd
Waymart, PA 18472

Time: 7:00 p.m.

Cost: Members of the public are welcome.
\$10 per person for the whole series, or
\$100 if you bring a group of 10 or
more from your church.
