NON-MEDICAL EXEMPTION*

You are exempt if a) you were born before 1957. **Proof** (Copy of driver's license, passport or birth certificate) **must accompany this form;** b) religious exemption. You **MUST** provide a written signed statement explaining how the administration of an immunizing agent conflicts with your religious beliefs.

IMMUNIZATION OR MEDICAL EXEMPTION*

You are exempt if you present a written signed statement from a physician stating that immunization is medically contraindicated for a specific period of time (the expiration date for the period must be stated and failing to be immunized thereafter will preclude further enrollment), and setting forth the reason(s) for the medical contraindication, based upon valid medical reasons as enumerated by the most recent recommendations of the Advisory Committee On Immunization Practices of the USPHS.

**A student with a medical or religious exemption may be temporarily excluded from classes and from participation in institution-sponsored activities during a vaccine-preventable outbreak or threatened outbreak. This decision shall be made by the institution in consultation with the State Commissioner of Health or his/her designee. This exclusion shall continue until the outbreak is over. In addition, the Seminary is not responsible if the student contracts measles, mumps or rubella.*
